

LetsDNS

Manage DANE TLSA records

Version 0.1.dev1, 2022-01-10

Table of Contents

1. Copyright	1
2. Preface	1

1. Copyright

LetsDNS is Copyright © 2022 Ralph Seichter. LetsDNS is licensed under the GNU General Public License V3 or later. The project is [hosted on GitLab](https://gitlab.com/letsdns/letsdns/) [https://gitlab.com/letsdns/letsdns/].

2. Preface

LetsDNS provides mechanisms to manage your DANE TLSA records in DNS servers. Records can be created based on a given set of TLS certificate files.
